BALA PRASANNA  
FRONTEND DEVELOPER

PROFILE SUMMARY

As a fresher frontend developer, I bring a solid foundation in HTML, CSS, Tailwind CSS, and JavaScript, recently demonstrated through the creation of an engaging indoor plants sale website. I excel in translating design concepts into interactive, responsive web experiences while ensuring optimal performance and cross-browser compatibility. Eager to leverage my skills and enthusiasm to contribute effectively to a dynamic development team.

PROJECTS

Nostar E-commerce Website

Technoligies used: HTML,CSS,JavaScript

- Interactive User Experience:** Designed and implemented a dynamic e-commerce site with HTML, CSS, and JavaScript, featuring interactive product galleries,to enhance user engagement and satisfaction.
- Responsive Design:** Developed a fully responsive e-commerce website that adapts seamlessly to various devices and screen sizes, ensuring a consistent and user-friendly shopping experience across desktops, tablets, and smartphones.
- Enhanced Functionality:** Integrated custom JavaScript functionalities for features such as shopping cart management, product sorting, and user account management, resulting in a more efficient and intuitive online shopping environment.

Greenenden Indoor Plant Sale Website

Technoligies Used: HTML,CSS,Tailwind CSS,JavaScript

- Elegant and Responsive Design:** Crafted an aesthetically pleasing indoor plants sale website using Tailwind CSS for a modern, responsive design that ensures optimal viewing and interaction across all devices and screen sizes.
- Dynamic User Features:** Implemented interactive JavaScript features, including real-time product filtering, enhancing the overall user experience and facilitating easier navigation and purchase.
- Custom Styling and Layouts:** Utilized Tailwind CSS to create custom, scalable layouts and styling for product listings, detailed plant information, and promotional sections, resulting in a visually appealing and user-friendly interface that highlights the beauty and variety of the indoor plants.

WORK EXPERIENCE

Worked 4 years as a Safety Officer in Several Projects like Construction,Coal Handling,Port and Bulk material Handling for Several Clients like TNEB,JSW and Adani ports and logistics.
